Re: Proposed annexation to the City

(Increment 121).

Dear Sir:

At the meeting held on June 24, 1953, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of June 18, 1953, of the proposed annexation of territory to the City of Long Beach.

Upon recommendation of the County Surveyor, slight revisions of the boundary description were made to provide the definiteness and certainty required by Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Very truly yours,

Dear Mr. Baiotto:

Proposed Northerly Annexation
District No. 22 to the City of
Glendora

At the meeting held January 22, 1964, the County Boundary Commission reviewed the boundary description and map submitted with your letter of January 6 for the proposed annexation of territory to the City of Glendora.

The boundaries submitted conform with record lines and lines of ownership; and no island or corridor of unincorporated territory is created by the boundaries.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. With these revisions the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed.

Very truly yours,

GORDON T. NESVIG
